PROPOSAL

ANZGMU

20
23

WELCOME

Annual Australia & New Zealand General Medicine Update (ANZGMU), invites you to consider sponsoring this important internal medicine conference.

2023 will be our fourth year and a wonderful opportunity for you to be involved in this exciting event, which will see the coming together of leading medical practitioners from Australia, New Zealand and beyond.

This year, we are excited to present ANZGMU in a hybrid format at Rydges Hotel Darling Square, Sydney from 26th to 28th April 2023.

Over these three days, renowned academics from the forefront of various subspecialties of medicine will deliver talks highlighting recent trends in diagnostic and treatment modalities.

We are truly honoured to organise the ANZGMU for our fourth year and we look forward to celebrating our achievements with you by welcoming you to this event.

**Rydges Darling Square
Sydney**
26th - 28th April 2023

ABOUT THE 2023 GENERAL MEDICINE UPDATE

The ANZGMU is a popular and respected educational conference which will consist of over 20 interactive lectures to showcase a curated selection of relevant topics in internal medicine, with updated information about new strategies, best practise and recent guidelines.

This year, we are introducing

- Challenging Cases of the conference
- Conversation on mental wellbeing of doctors

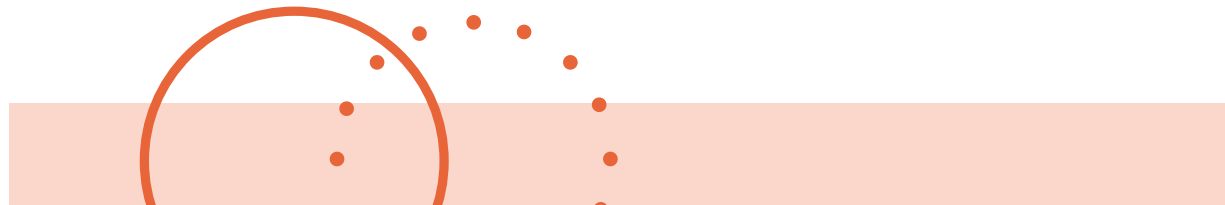

LOCATION

The ANZGMU 2023 will be held in Sydney, at the Rydges Darling Square, located on 72 Liverpool St, Sydney

OPTIMISED FOR REMOTE LEARNING

The 2023 program has been enhanced for remote learning:

- All session will be live streamed
- Q&A with the speakers via chat
- On demand recordings of all live streamed talks available to participants.

FEEDBACK

"I was so sorry when end of course came on Sunday afternoon.

Had never been to such a quality course which still maintained such an intimate, family, collegial feel. Truly hope and expect this course to develop into the premier Australian medical event."

- 2019 Attendee

Thank you so much for running ANZGMU in a format that allows flexible online attendance. As a general physician based in the Kimberley, Western Australia, this makes it so much easier for me to access this learning opportunity. Even without the COVID-19 pandemic, travelling for CPD activities is difficult. I attended in person in 2019 and really appreciated it, but attending in person is never easy from here.

- 2020 Attendee

"There were updates in every medical specialty and high quality information was given to us. I would recommend this update to every gen med AT".

- 2021 Attendee

"This was an extremely valuable conference. There is very limited formal teaching and evidence based updates for general physicians, particularly those who are working rurally, so this was greatly appreciated. The course content was extremely relevant to clinical practice on a day to day basis".

- 2021 Attendee

Excellent update. Very knowledgeable presenters and good spread of topics

- 2022 Attendee

Very clinically relevant presentation

- 2022 Attendee

SPONSORSHIP BENEFITS

Sponsorship of the ANZGMU 2023 represents a fantastic opportunity for your company.

Sponsorship also demonstrates your company's support and commitment to furthering Australian and New Zealand medical practice.

By sponsoring the ANZGMU 2023, your company has the opportunity to:

- Promote your brand and products to medical delegates
- Network and build relationships with leaders in the medical community, both during and after the meeting
- To align your company with our commitment to the highest quality education
- Interact with delegates during all breaks

SPONSORSHIP OPTIONS
